Fall Clean Up Event

The Fall Clean Up Event sponsored by the Hillsborough County Neighborhood Relations Office was a success this year. The dumpsters were delivered and we were able to fill up one and nearly filled up the second. Thanks to all the volunteers who helped make this event such a success.

Luminaries

The Luminaries this past Christmas Eve was another huge success. There was a massive turn out of volunteers to assemble and deliver over 1,000 paper bags, complete with sand and candles. The children that helped with this event had a blast riding on the tailgate of one of the many pick-up trucks that showed up to assist in delivering the bags.

A special thanks goes out to those that took the extra effort to light the candles and clean up the bags at the homes of folks that were out of town, were unable to assist, or unwilling to participate.

It is through the dedicated work of our community volunteers that make this annual event such a success that our community is so well known for.

Parking

When we have visitors in the neighborhood, please ensure cars do not park on opposing sides of the street as the remaining traffic area is often too small for many emergency vehicles and school buses.

Annual Meeting of Members

This meeting is of critical importance to the continuation of our Homeowner's Association. If you have an interest in our Association, please schedule this meeting as a priority on your calendars. Your participation and input are needed!

This meeting will include election of Officers/Directors for 2012. We need some additional/different Members to participate as Board Members as some current Board Members will be stepping down and others are near or have exceeded their term limit. Please visit <http://www.woodbriarvillage.info/Bylaws/AmendedByLawsRecorded.pdf> to review our By-Laws for procedures and responsibilities associated with the five positions on the Board of Directors. If you or someone you know would like to be nominated for a position please let us know by e-mailing us at woodbriarvillage@yahoo.com. Nominations can also be made at the meeting.

Members - If you cannot attend in person it is important that you fill out and return the proxy form included with this newsletter as they will be used to establish a quorum in order to conduct association business at the meeting. The **General Proxy** authorizes your proxyholder to vote in your place as he/she sees fit in the election of officers/directors and on any item properly raised from the floor during the meeting that requires a member vote.

Recent Burglaries

There have been residential burglaries in our neighborhood in the past 3 - 4 weeks. We all need to be aware of activity around our neighborhood and report suspicious persons or vehicles to the non-emergency Sheriff's number - 247-8200. Report crimes in progress to the emergency number - **911**.
